The First Annual Trunk or Treat Event that was held at Station Square on October 28th was a festive success! Well over 1,000 guests were in attendance throughout the day and the weather was perfect! Station Square would like to extend our THANKS to and acknowledge Niesha Chavis from Flawless Touch Hair Studio for all of her dedication and sponsorship to make this event a huge success!! Niesha wanted to put on a special event for the children and families in the Downtown Community and brought the idea to Station Square to host the event on property for the families of Rocky Mount. This FREE event could not have been possible without Niesha's dedication, the generosity of many community members, Station Square Rocky Mount, Tenants, business owners and event volunteers. We are all looking forward to next year's event!
